

Ride for Roelof

Saturday, August 16, 2003, 8:00 am
Central Park, College Station
Krenek Tap Road and Highway 6

Map distribution starts at **7:30 am**. Routes of 30/40/50/60 miles, and probably a "Java 10 miler" round trip route to Sweet Eugene's/Blue Baker will be provided. No sag support; **Bicycle riders should plan on being self-sufficient.**

A donation to help our friend and fellow cyclist Roelof Engelbrecht is requested.

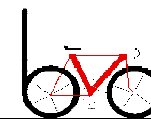

Roelof has Primary Sclerosing Cholangitis and needs a liver transplant. Unfortunately, health insurance does not cover all of the expenses. Checks can be made out to: Roelof Engelbrecht Benefit Account. Donations are not tax-deductible. Donations can also be mailed:
